SETTING

AT AIRPORT.
Action - TBD

TIC / GOLF ACTION

A tic happening in the airport lends us
the opportunity to raise the stakes.

REFERENCE.

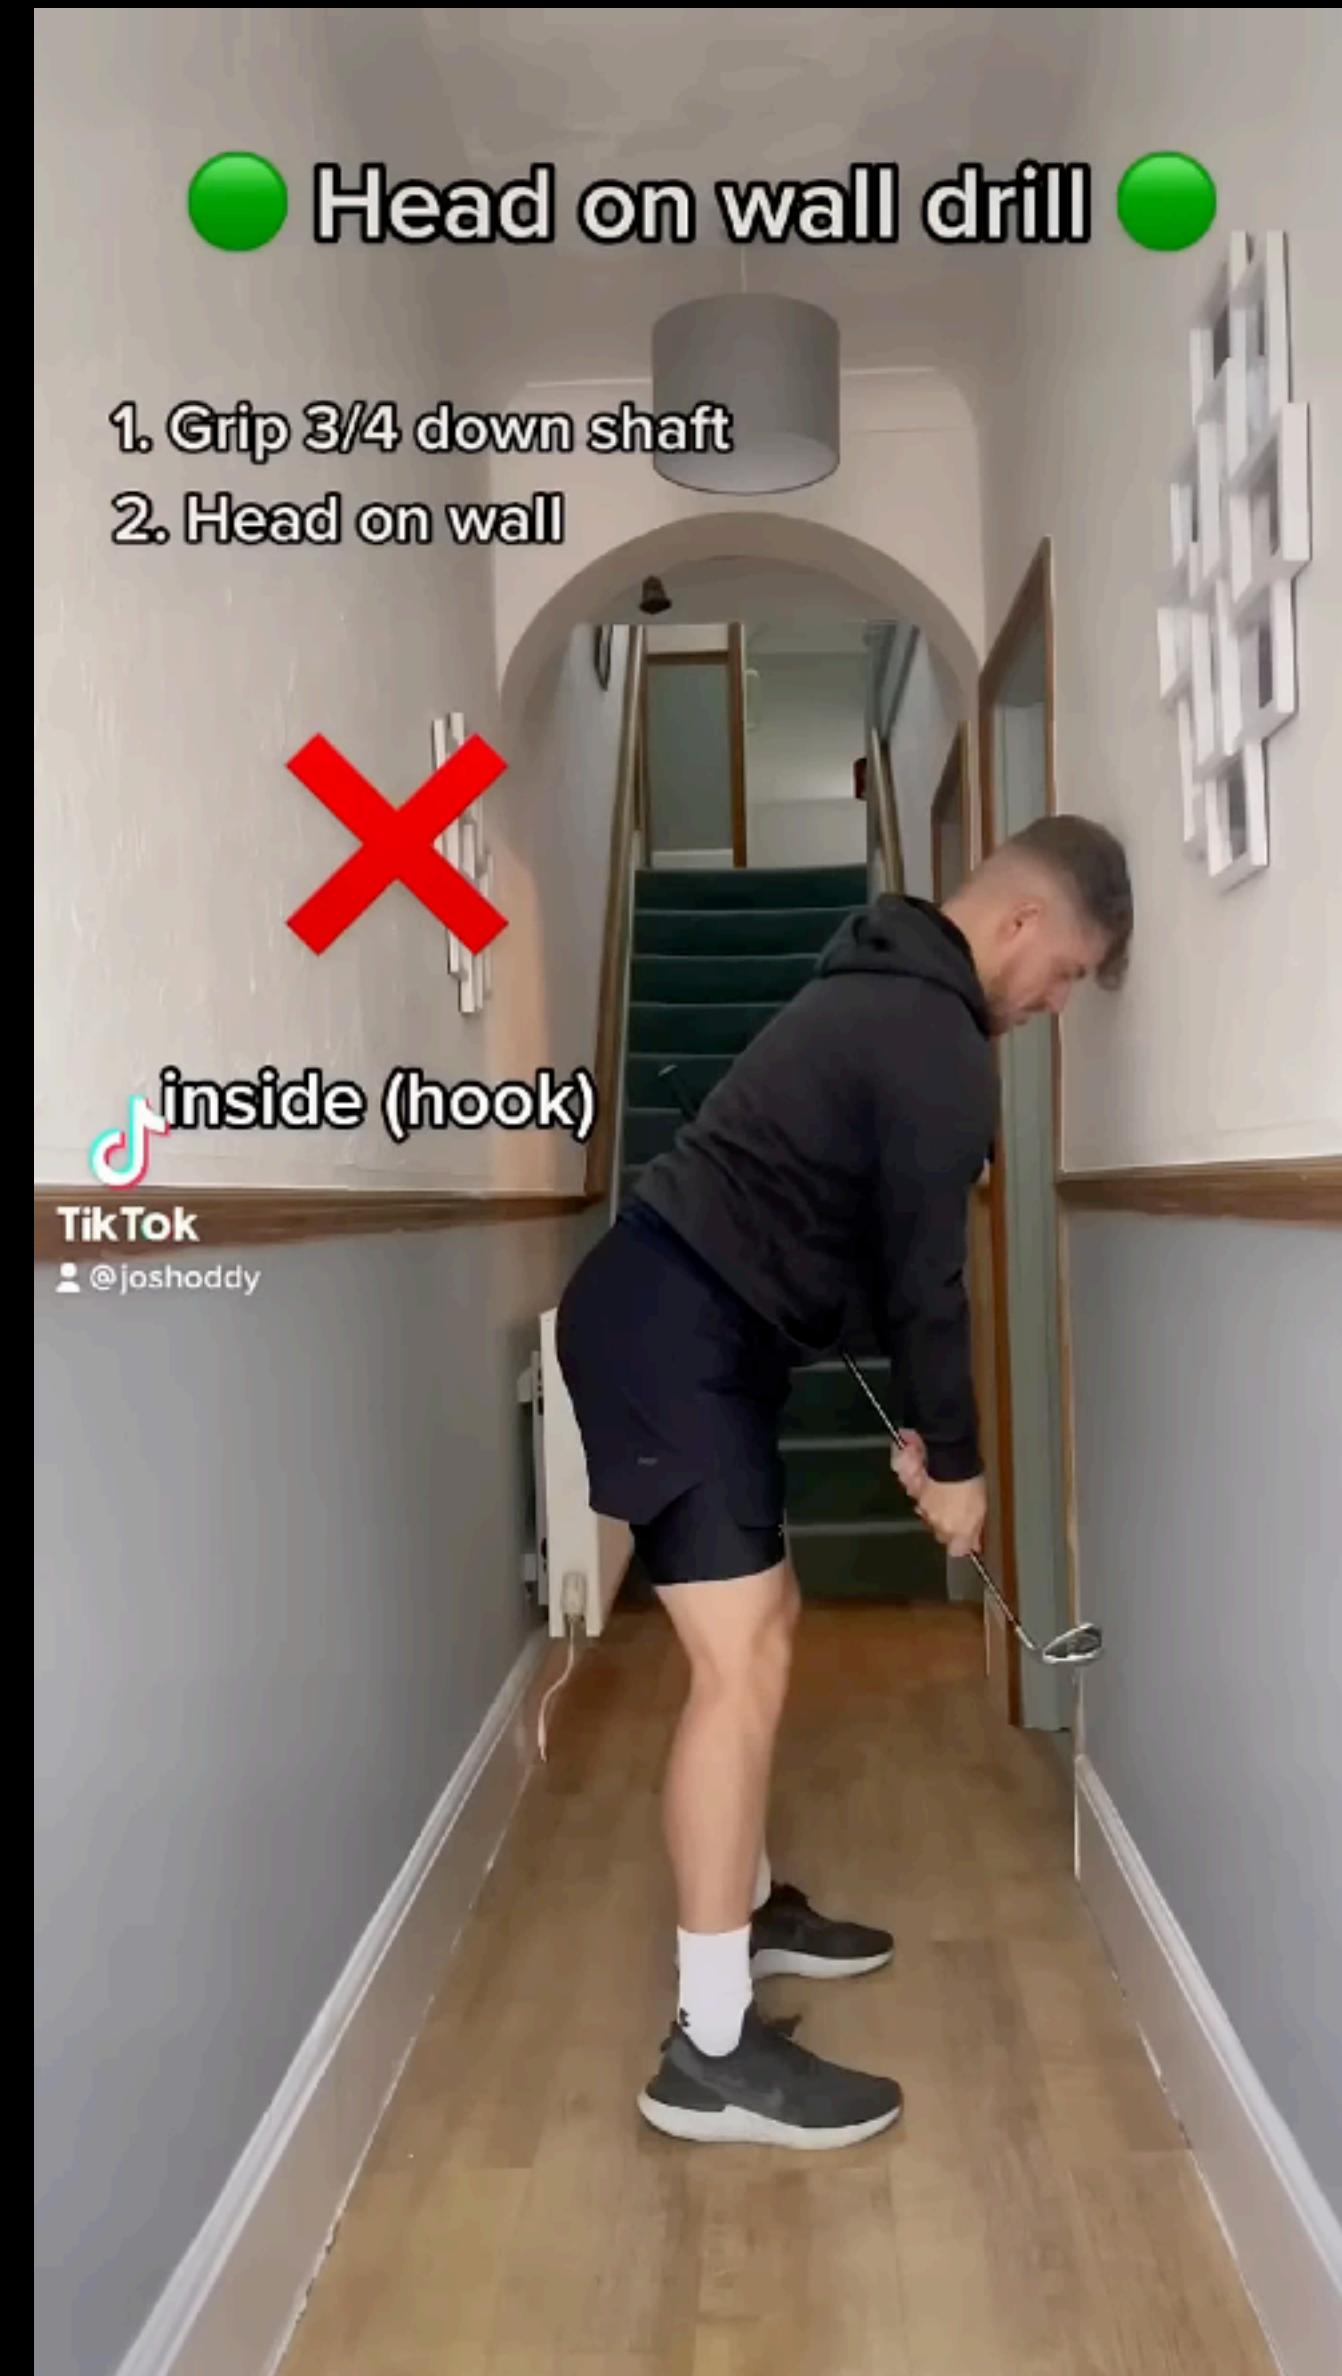

SETTING

AT SITUATION ROOM
OR COURT
OR LAWERS MEETING.

TIC / GOLF ACTION

REFERENCE.

In a high stakes environment of a conference room the entire team remains frozen, looking expectantly towards their boss for a final answer while the boss is revealed in a corner of the room, detached from the group, his head pressed firmly against the wall, an involuntary physical tic used to anchor his posture and stabilize his focus.
